Known for their elegant beauty, versatility, athleticism and endurance, Arabian horses from around the globe will compete in hundreds of events at the Scottsdale Arabian Horse Show. If you can imagine a horse doing it, you will see the best in the world competing in it during the show.

The Scottsdale Arabian Horse Show is more than an equestrian event — it's a shopper's paradise. This year's show will host over 300 commercial exhibitors. Artists and craftsmen from around the globe will bring fine art, clothing, exotic jewelry, house-hold items, equestrian products and much, much more.

Events start each day at 8 am. For more information, a schedule of events or if you are interested in visiting a local Arabian farm, visit our website. **TICKETS** for the Scottsdale Show can be purchased through **TICKETMASTER TEL: 480-784-4444**
